

Creation 2

The Word of God
is like a **LION.**

You don't have
to defend a lion.

All you have to
do is **LET THE
LION LOOSE**

and the lion will
defend itself.

 *Charles Spurgeon*

Creation

► Why

- [Gen 1:28 KJV] And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and **subdue it**: and **have dominion** over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

► How

- “This is what the Bible Says and we believe it”
- [Rom 1:20 KJV] For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, [even] his eternal power and Godhead; so that they are without excuse:

Schedule

- ▶ Session 1: The Heavens and the Earth
 - ▶ Session 2: Space and Time
 - ▶ Session 3: Life
 - ▶ Session 4: Mind/Brain/Soul/Spirit
- 

Defying Physics

- ▶ [Jhn 20:19 KJV] Then the same day at evening, being the first [day] of the week, when the doors were shut where the disciples were assembled for fear of the Jews, came Jesus and stood in the midst, and saith unto them, Peace [be] unto you.
- ▶ [Jer 23:24 KJV] Can any hide himself in secret places that I shall not see him? saith the LORD. Do not I fill heaven and earth? saith the LORD.
- ▶ [2Ti 1:9 KJV] Who hath saved us, and called [us] with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus **before the world began**,
- ▶ [Tit 1:2 NKJV] in hope of eternal life which God, who cannot lie, promised before time began,

What is.....

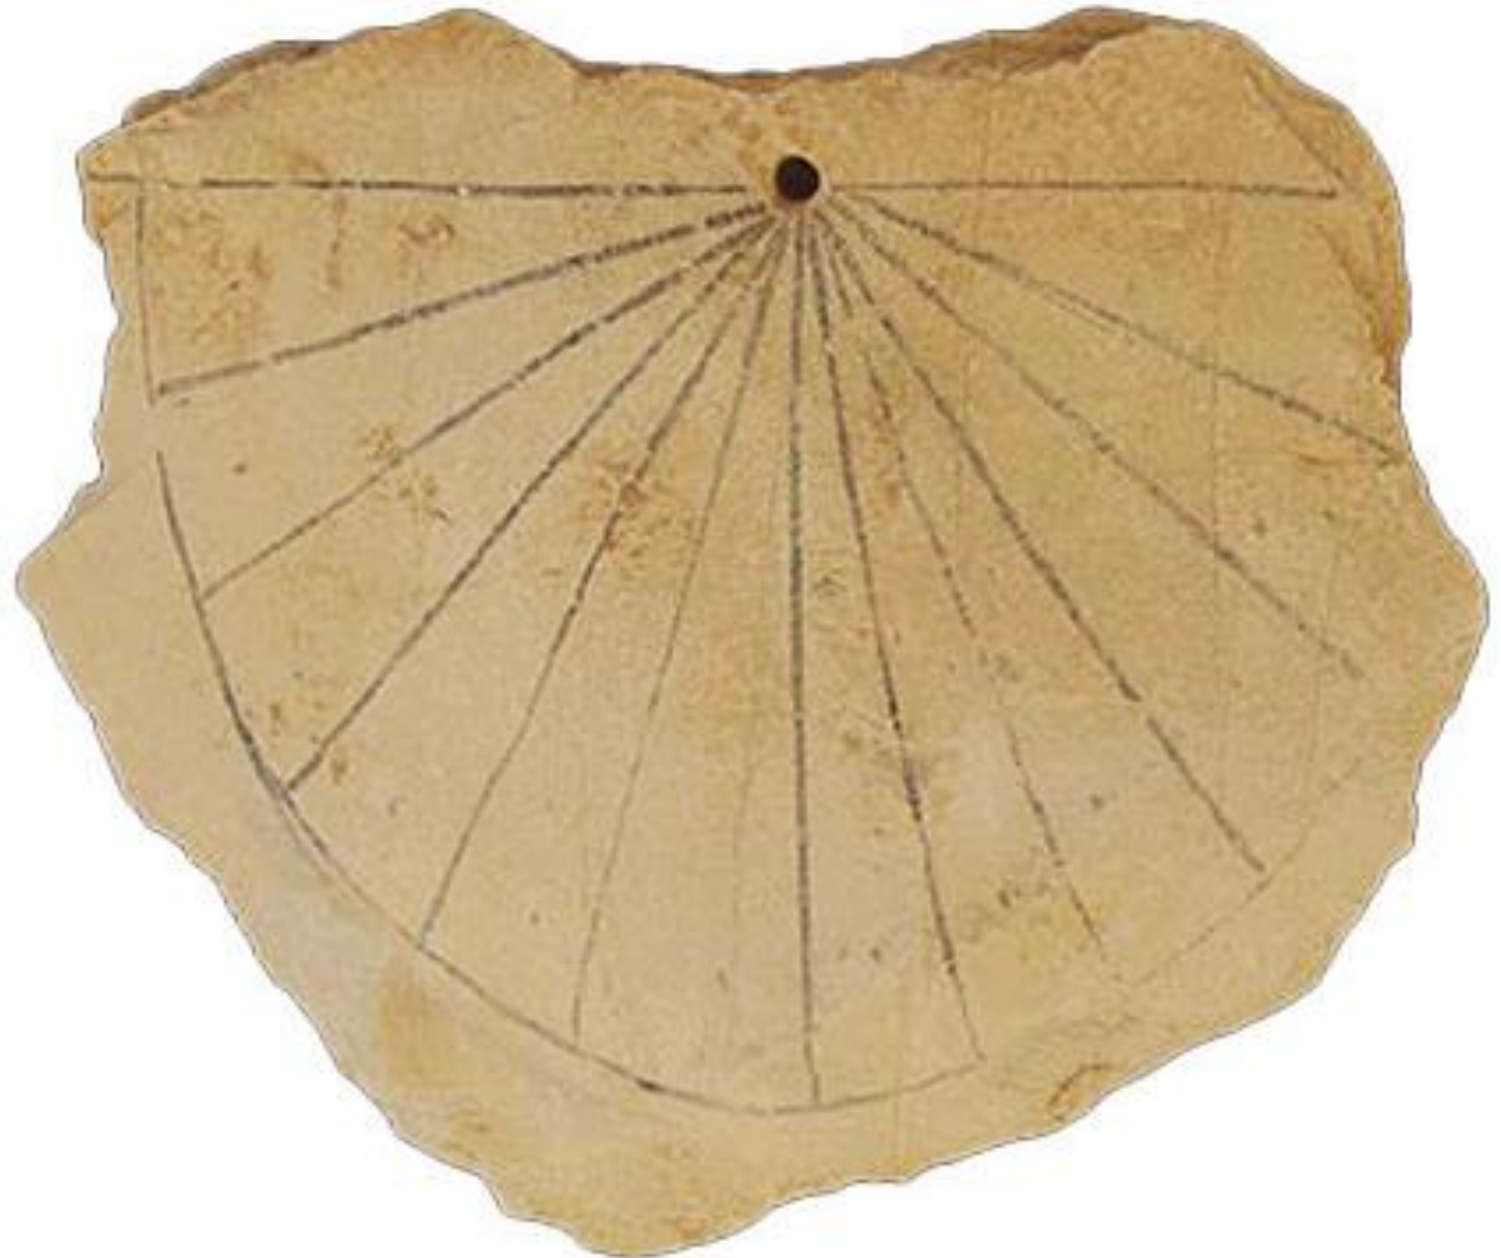

Time

Space

What is Time?

- ▶ How is time measured?
 - ▶ Using movement of the Sun – days
 - ▶ Dividing the day into parts – hours, minutes
 - ▶ Second

Wait a
second...

What is
a
minute?

- It wasn't defined until the pendulum clock in the 16th century
- 1/60th of an hour

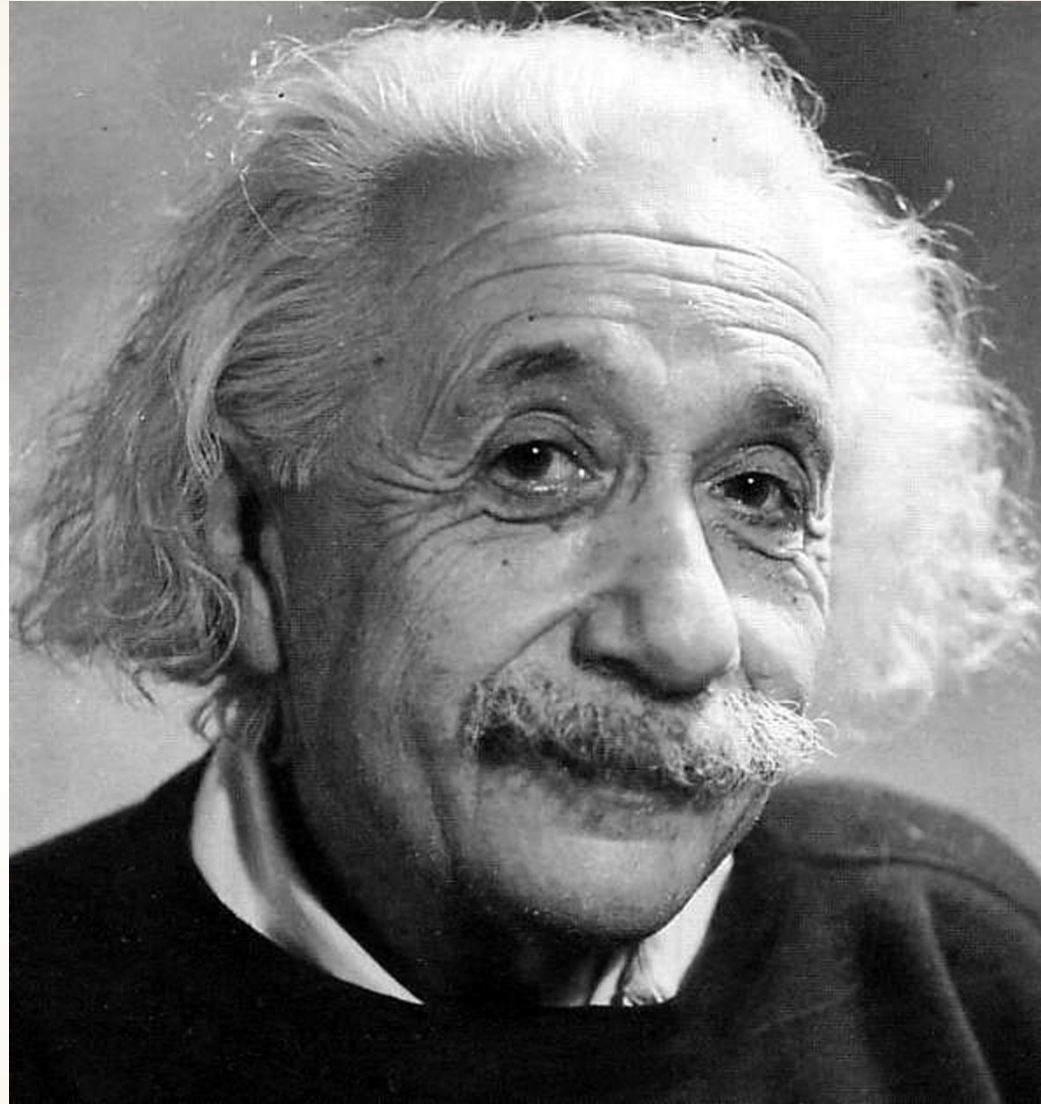

What is
a
second?

- First defined as 1 / 86,400 of an equatorial day
- Now defined as 9,192,631,770 radiation cycles of a Cesium-133 Atom
- Accurate to 1 second in 1,400,000 years
- Strontium clock is accurate to within 1 second in 15 Billion Years

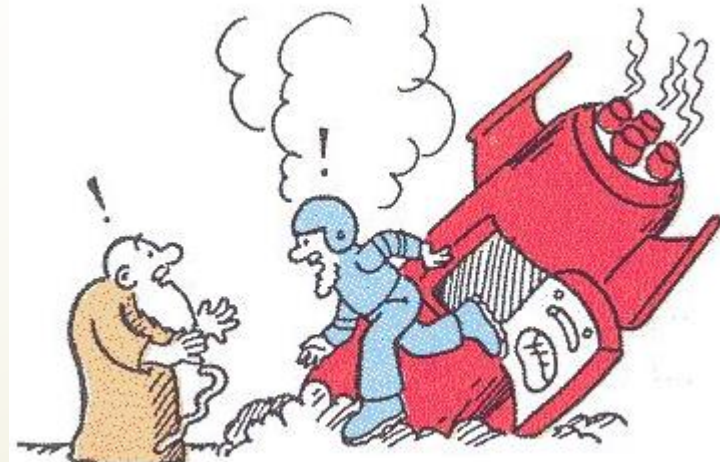

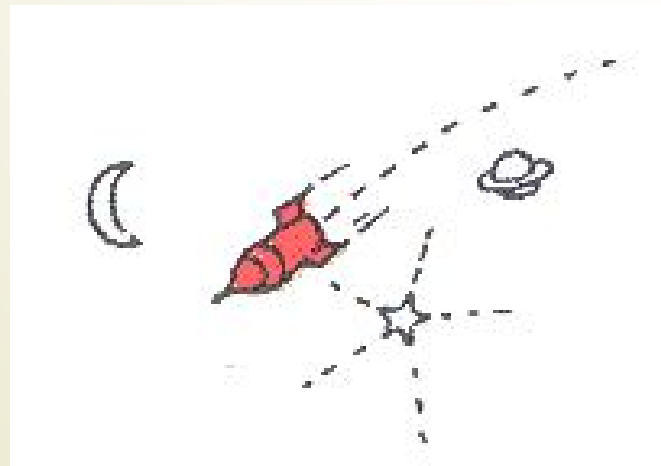

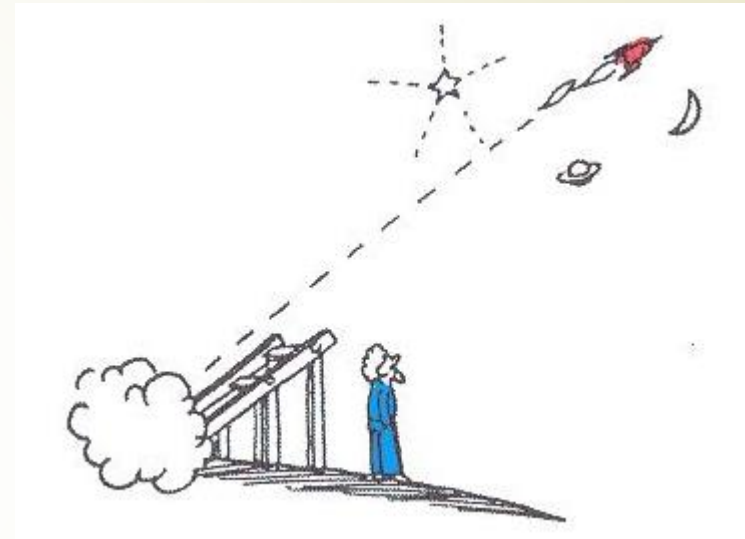

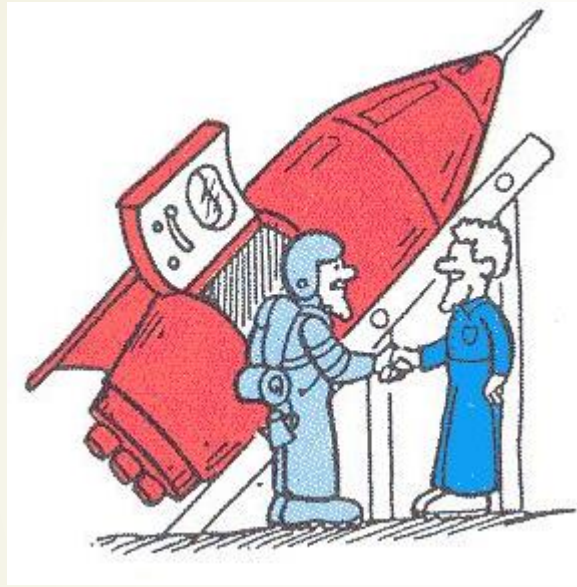

Is Time the Same for everyone?

My next guest needs no Introduction

- ▶ Special Relativity
 - ▶ Time depends on speed
 - ▶ Proven by aircraft experiments

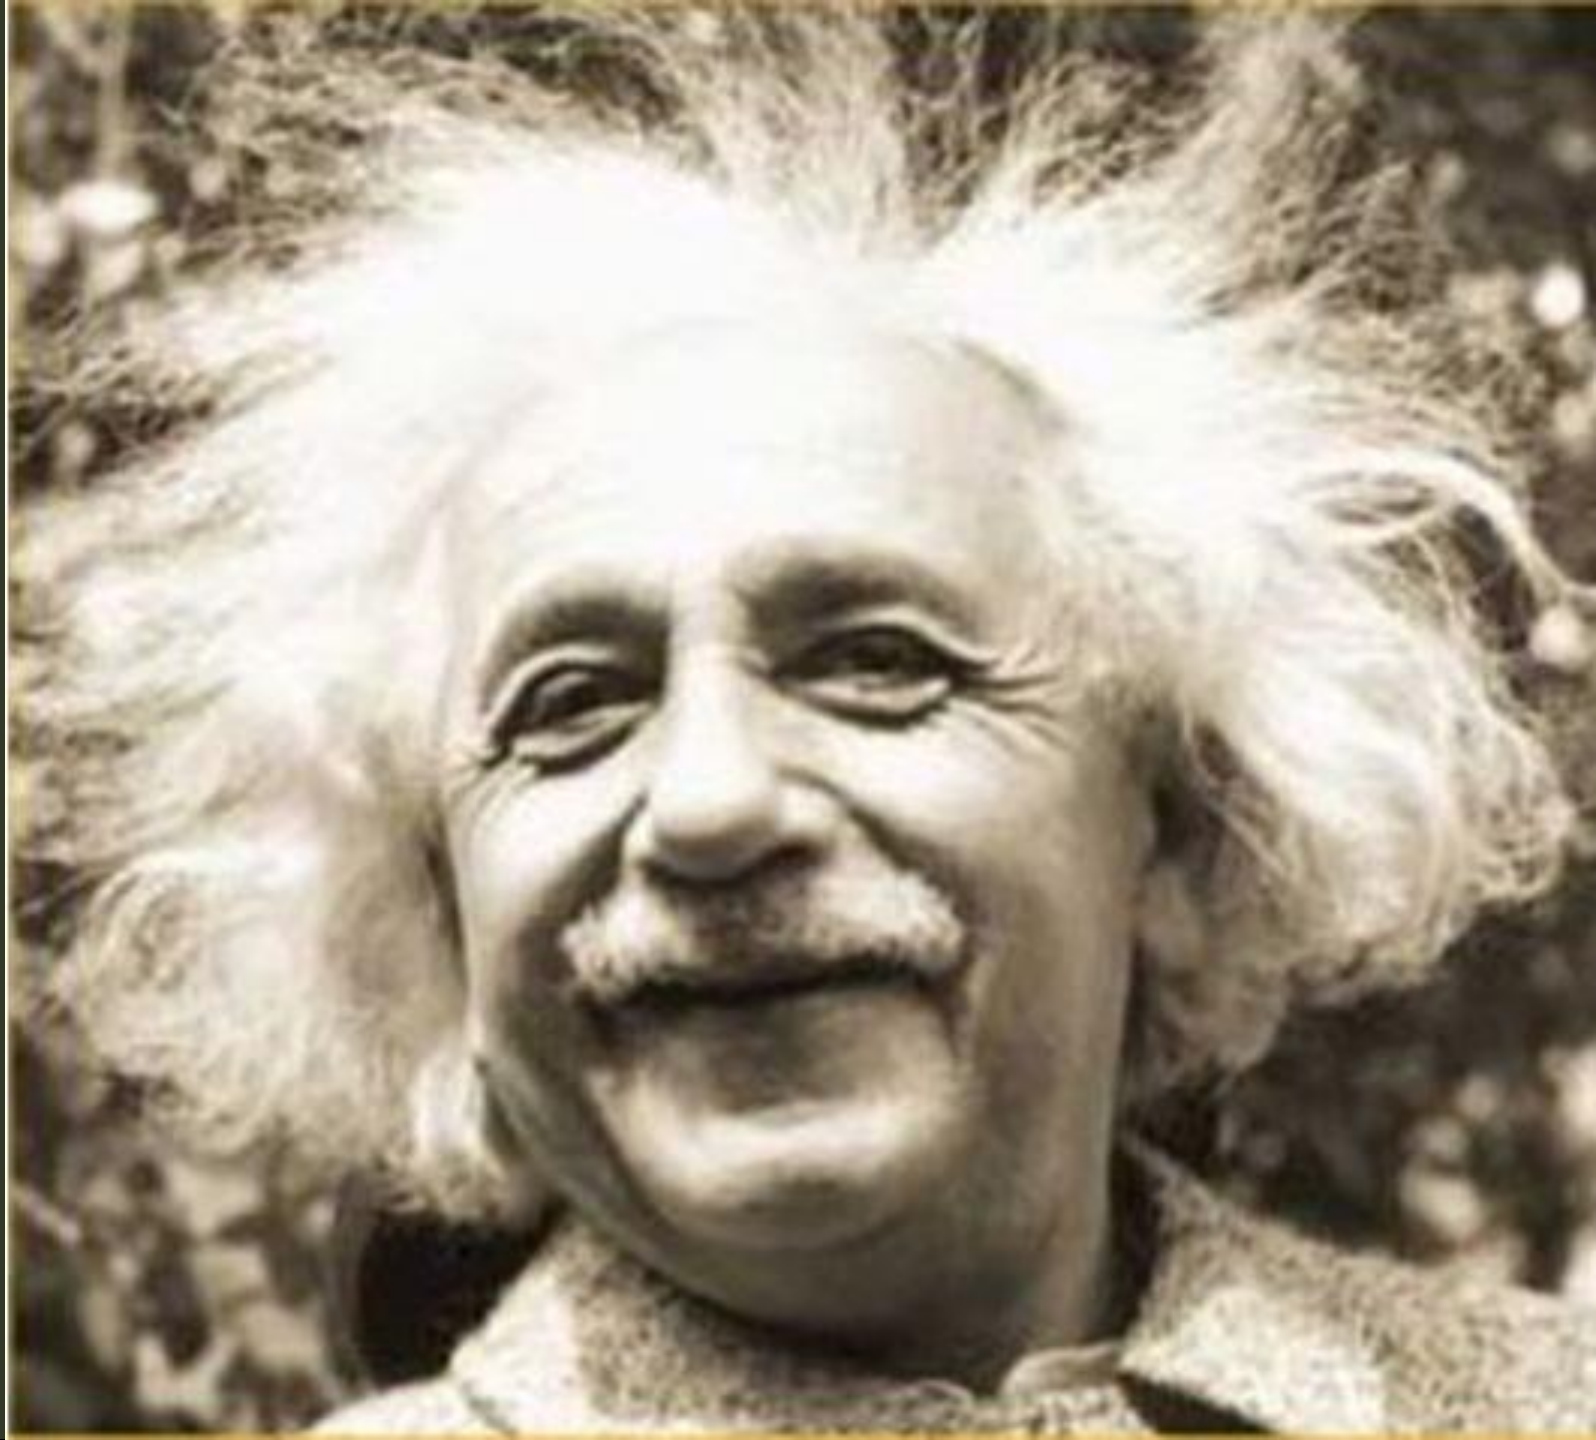

The Twins Paradox

And Again.....

- ▶ General Relativity
 - ▶ Time depends on gravity

*Atomic clock at Boulder,
Colorado (faster)*

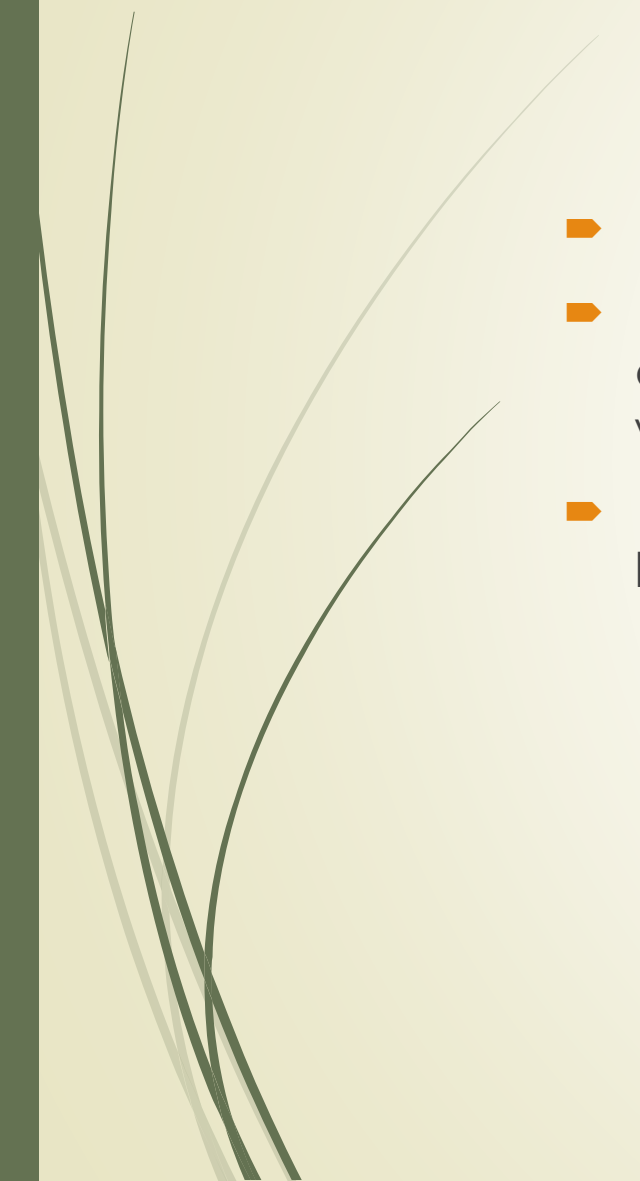

*Atomic clock at Greenwich,
England (slower)*

Gravity!

Before Time Began

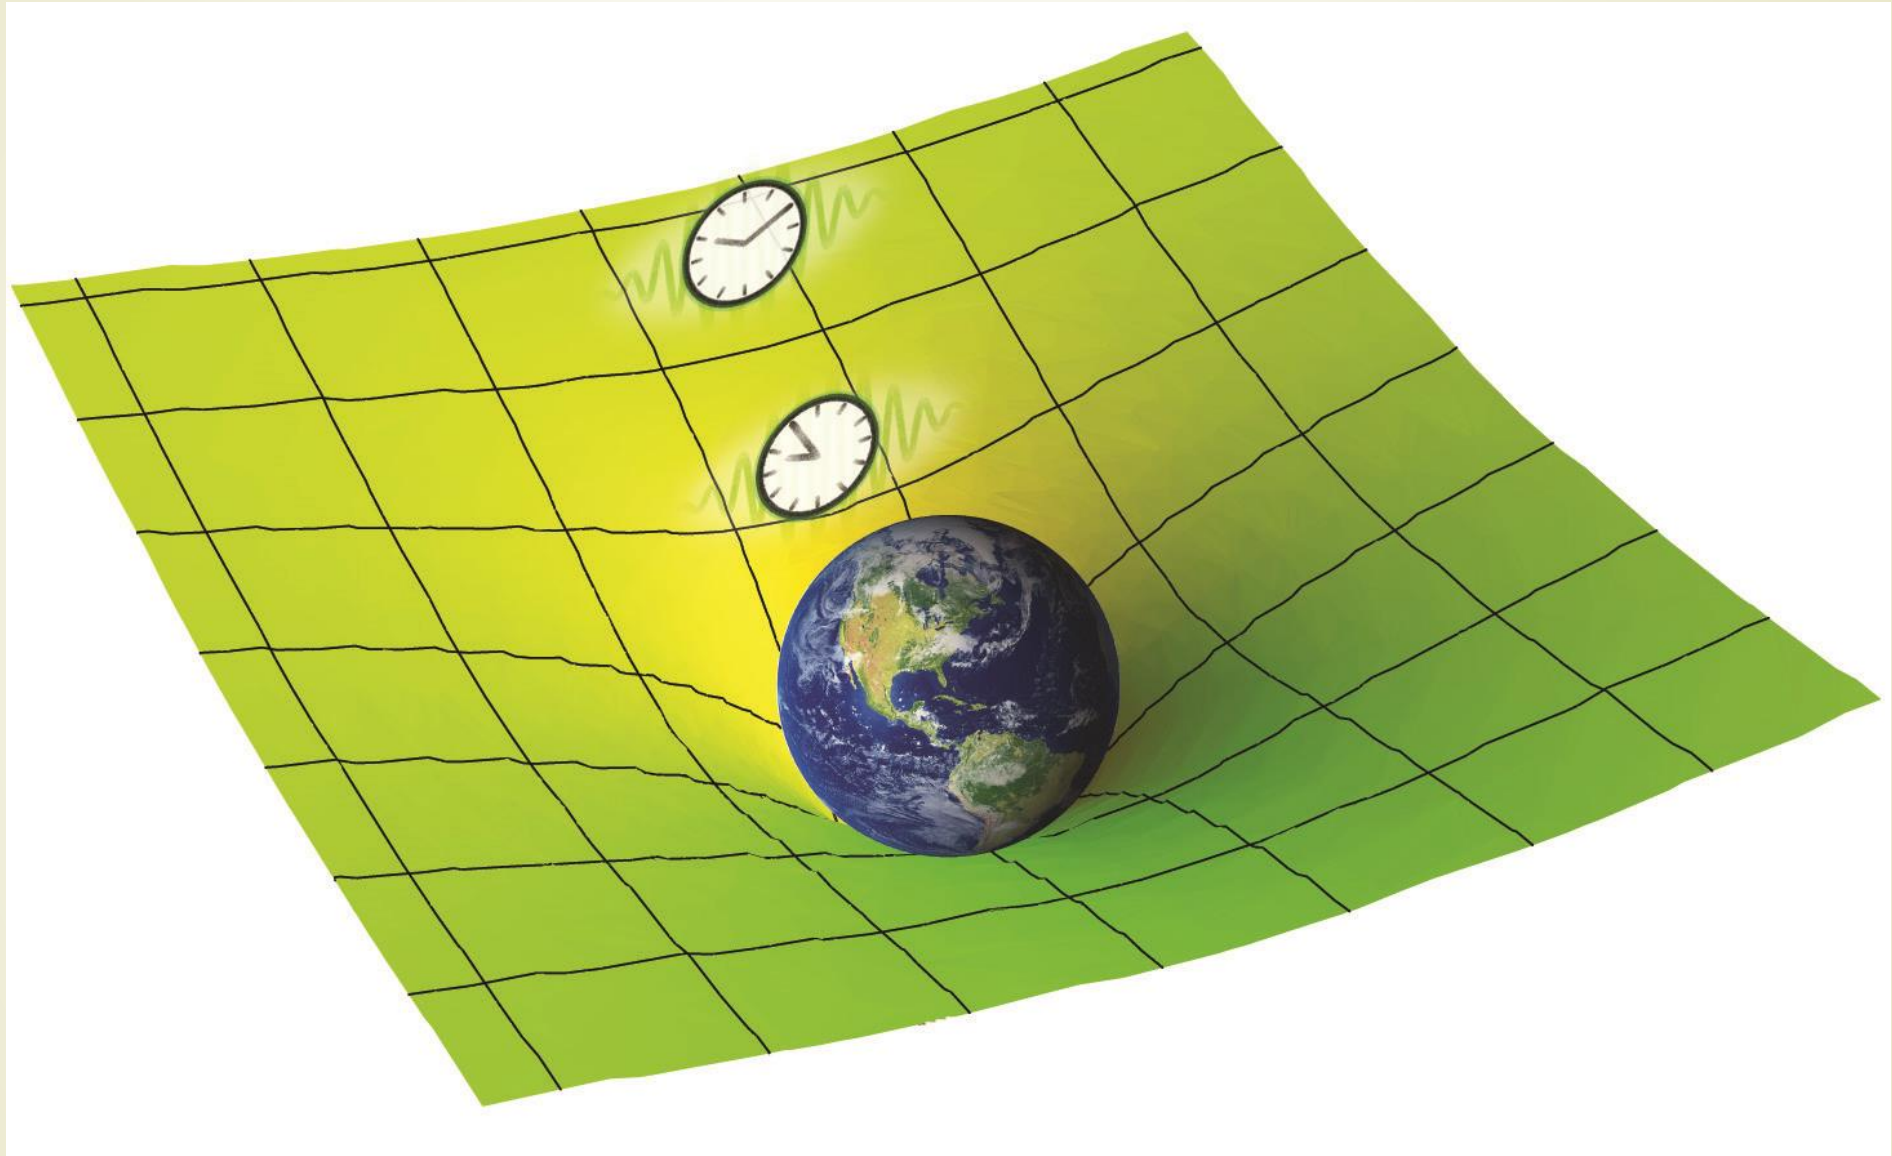

- ▶ [Gen 1:1 NKJV] [In the] beginning God created the heavens and the earth.
 - ▶ [2Ti 1:9 NKJV] who has saved us and called [us] with a holy calling, not according to our works, but according to His own purpose and grace which was given to us in Christ Jesus **before time began,**
 - ▶ [Tit 1:2 NKJV] in hope of eternal life which God, who cannot lie, promised **before time began,**
- 

What is Space?

- Length
- Breadth
- Height
- Time

Space-Time

Isaiah, John and Albert

- ▶ [Isa 34:4 NKJV] All the host of heaven shall be dissolved, **And the heavens shall be rolled up like a scroll;** All their host shall fall down As the leaf falls from the vine, And as [fruit] falling from a fig tree.
 - ▶ [Rev 6:14 NKJV] **Then the sky receded as a scroll when it is rolled up,** and every mountain and island was moved out of its place.
- 

Mr. and Mrs. Flat

- ▶ [Jhn 20:19 KJV] Then the same day at evening, being the first [day] of the week, **when the doors were shut** where the disciples were assembled for fear of the Jews, **came Jesus and stood in the midst**, and saith unto them, Peace [be] unto you.
- ▶ [Jer 23:24 KJV] Can any hide himself in secret places that I shall not see him? saith the LORD. Do not I fill heaven and earth? saith the LORD.

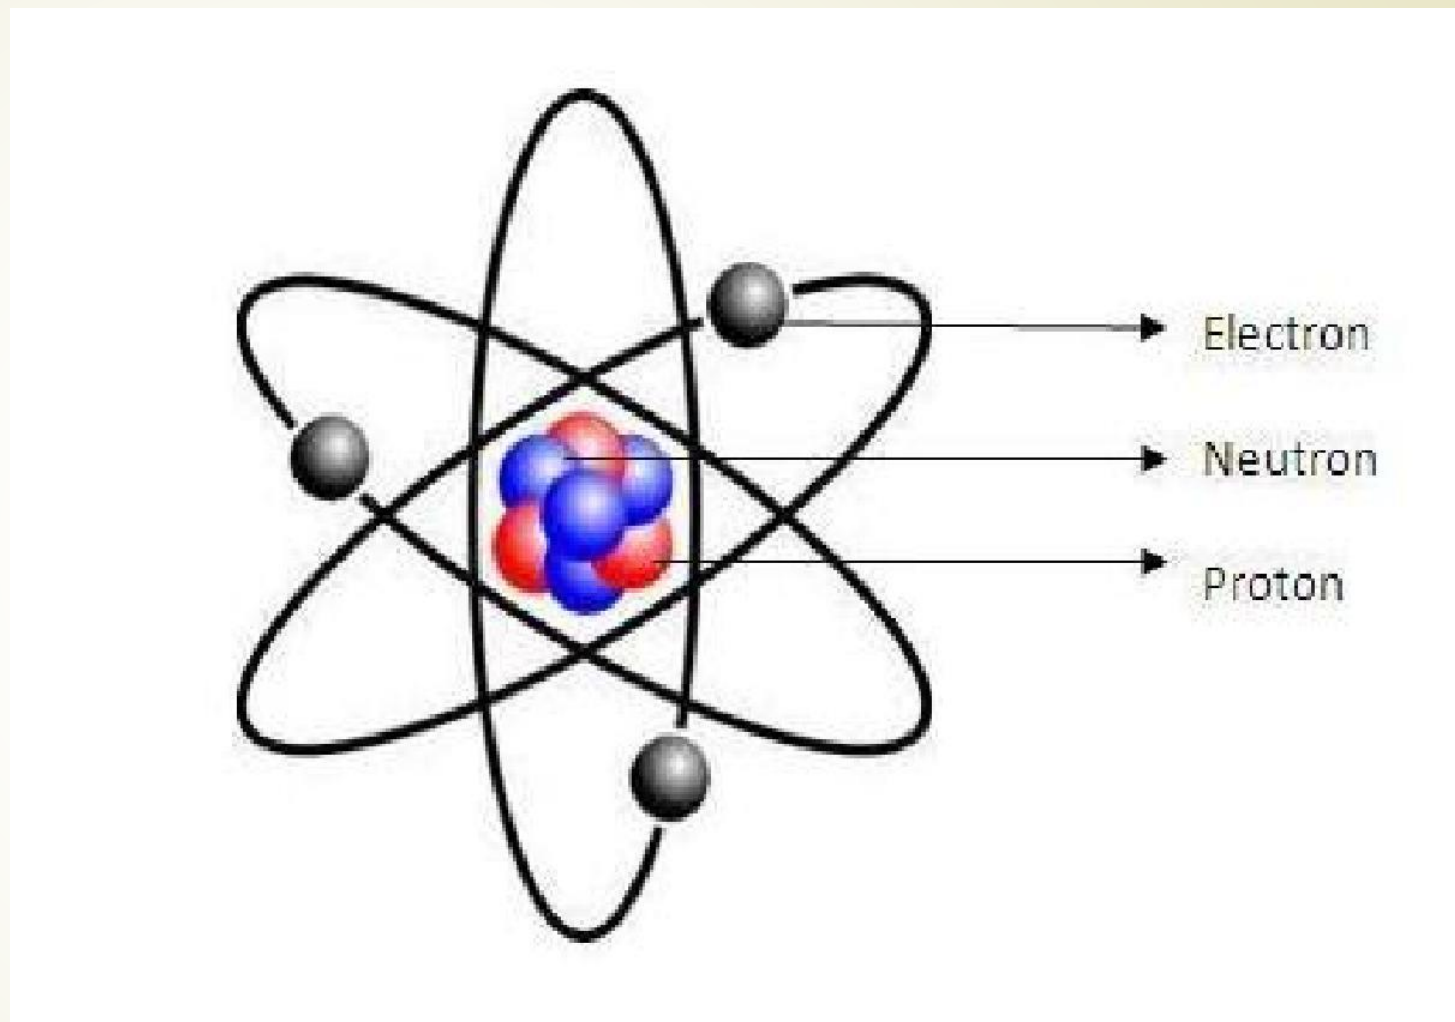

Quantum Mechanics

- ▶ “Quantum” means a discrete Unit; not continuous
 - ▶ The term is most usually used to describe Sub Atomic scales
- 

The Structure of Matter

- ▶ Molecules
- ▶ Atoms
- ▶ Protons, Neutrons and Electrons
- ▶ How Big are Atoms?
- ▶ How far away are electrons from the nucleus?

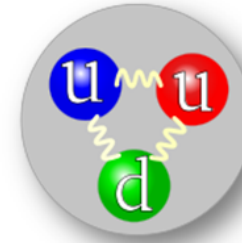

What are protons, neutrons and electrons made of?

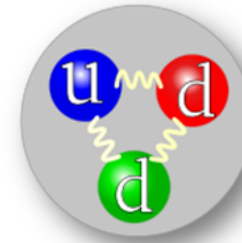

About Quarks...

Protons and neutrons are NOT fundamental particles.

Protons are made of two "up" quarks and one "down" quark.

Neutrons are made of one "up" quark and two "down" quarks.

Quarks are held together by "gluons"

Spooky Action at a distance

It Isn't REALLY THERE!

- ▶ It is all energy fields!
- ▶ [Jhn 20:19 KJV] Then the same day at evening, being the first [day] of the week, **when the doors were shut** where the disciples were assembled for fear of the Jews, **came Jesus and stood in the midst**, and saith unto them, Peace [be] unto you.
- ▶ [Jer 23:24 KJV] Can any hide himself in secret places that I shall not see him? saith the LORD. **Do not I fill heaven and earth?** saith the LORD.

It had a beginning, It will have an END

- ▶ [2Pe 3:10 NKJV] But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, **and the elements will melt with fervent heat**; both the earth and the works that are in it will be burned up.
 - ▶ [2Pe 3:12 NKJV] looking for and hastening the coming of the day of God, because of which the heavens will be dissolved, being on fire, and the **elements will melt with fervent heat?**
- 

Our Place in Eternity

- ▶ [Jhn 14:1 NKJV] "Let not your heart be troubled; you believe in God, believe also in Me.
- ▶ [Jhn 14:2 NKJV] "In My Father's house are many mansions; if [it were] not [so], I would have told you. I go to prepare a place for you.
- ▶ [Jhn 14:3 NKJV] "And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, [there] you may be also.
